Commissioner for Patents

Attention: CERTIFICATE OF CORRECTION BRANCH

Sir:

The issuance of a Certificate of Correction is requested for the above-identified U.S. Patent to correct the errors in Claim 1, as set forth below and on the attached form PTO/SB/44 (two copies of which are attached):

Claim 1, col. 13, line 6, delete "at least one";

Claim 1, col. 13, line 7, change "blade" to --board--;

Claim 1, col. 13, line 7, after the phrase "along said" insert the words --at least one--; and

Claim 1, col. 13, line 8, change "blades" to --blade--.

The Inventors submit that these were printing errors on the part of the PTO (see the attached Examiner's Amendment), and that correction of these errors does not involve changes that would constitute new matter or require reexamination. Thus, the conditions specified in 35 U.S.C. § 254 have been met, and the issuance of a Certificate of Correction is proper.
